This worksheet is designed to help you plan your album. From your preview book you can select the prints that go into your package and even add addition prints to your package. Your album is vary flexible, allowing us to arrange the prints in the order that the wedding day progressed, B&W prints look best when on the same page together, mixing B&Ws and color tends to look jumbled. Sometimes it is unavoidable but if you think of how your album will be laid out, you can select prints that will go together logically on a page.

Bride and Groom's Names _____ Wedding Date _____
(Your first names will be on your album cover so write them as you wish them to appear) Last names are needed for our identification. Album Color _____ Page color _____
